REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Our students, parents, and teachers joined together at Hickory Tavern Elementary on a "Learning Safari" during 2007-2008. The Safari involved the establishment of individual goals for both students and classes. As these goals were met, we celebrated each achievement. Additionally, the School Improvement Council focused its attention on increasing parent involvement and communication. The council sought parental input concerning single-gender classes, school uniforms, and a PTO, some of which are planned for implementation in the 2008-2009 school year.

Student initiatives included the Related Arts programs, which provided students with stimulation for both their physical needs and artistic desires. Our physical education coaches promoted good health choices throughout the day. Fourth and fifth grade students had the opportunity to audition for chorus for the first time. The school was represented in the community as the chorus performed at nursing homes and other community events. The twelfth annual Arts Day was sponsored by the art department, which exposed our students to the expertise of various artists and cultural events. We are also proud to have had students recognized in the SC Salute to Manufacturing Art Contest and the National Transportation Week Poster Contest.

HTE's focus on learning and individual improvement was not limited to our students. Our faculty participated in district sponsored professional development courses focusing on specific academic needs in all content areas, professional learning teams, Best Practice Seminars, book studies, conferences, and workshops. Our literacy and science coaches strategically worked with teachers to improve standards-based instruction. Augmenting these initiatives, Title I funds enhanced student learning by providing a Reading Recovery teacher, a computer lab assistant, and an Instructional Coach. We also purchased classroom materials to support our strategic plan.

Initiatives to develop a strong partnership with our parents and community were rewarded as we saw an increase in parental involvement in a wide range of school activities, such as our Parent Volunteer Training Program, Morning Muffins with Parents, Awards Days, Field Day, Family Nights, and Character Education Workshops.

In keeping with our mission statement at Hickory Tavern Elementary School, we have made achievement our priority and have expected all students to meet or exceed national, state, and district standards. Our parents, teachers, and community will continue to work together to improve the education of every child at our school.
